Dated 3rd December 1892.

To

The Chief Secretary to the Diwan
of Mysore.

Sir,

In forwarding herewith correspondence ending with the Survey Superintendent's Canarese Yadasht No. 3000 dated 22nd August last, I have the honor to state that as the extent of Gomal land united for the cattle of Halehalli village is more than sufficient for the small number of cattle in the village, the ryots have no objection to about 24 acres of it being given out for cultivation. There being no good cultivable assessed land available in the village of Beesuala, the ryots are willing to get about

42 acres of the Gonal land assessed for cultivation.

2. Under these circumstances I request sanction to get the said lands assessed.

3. A statement shewing the particulars of Gonal land is herein enclosed.

I have the honor to be
Sir,
Your most Obedient Servant.
